

Short Bio

Tyler Tolman is a world-renowned speaker, entrepreneur, media personality, event facilitator, and one of the world's leading authorities on natural health and longevity.

Known for his expert advice in natural health, wholefoods and the fundamentals required for a balanced and abundant life, Tyler's fierce desire to help others is the secret behind his compelling stage presence. Sharing ancient practices of healing combined with modern science, Tyler's knowledge is truly eye-opening.

Always guided by the principles of "fresh is best" and "first do no harm", Tyler has made headlines around the world, by helping people to heal themselves from conditions deemed incurable by western medicine.
